## COMMENTS FROM THE

**TOWN MANAGER'S OFFICE**

The Highway Department still is

planning to pick up rubbish next

Monday, May 7. If anyone has items

that might require special handling,

such as heavy material, please call

either the Town Office or arrange

and alert us. We will not remove

motor vehicles.

Five dog owners were summoned

to court this week for allowing their

animals to run at large. We intend

to continue serving summonses ra-

ther than impounding dogs, as the

impounding has proven to be very

nearly ineffectual helping to control

the animals.

Although we have and will continue

to receive criticism from the in-

dividuals who are fined as a result

of the new policy, we feel we have

been too lenient in the enforcement

of the ordinance passed in the 1971.

It is not difficult to defend our

actions when they are carried out as

provided in an article voted on at

a town meeting. It is the intention

of all concerned to be impartial in

the enforcement of this regulation.

There will be offenders who escape

as some do from other rules but re-

asonable efforts are being made to

make the ordinance effective.

## COMMENTS FROM THE TOWN MANAGER'S OFFICE

The Highway Department still is planning to pick up rubbish next Monday, May 7. If anyone has items that might require special handling, such as heavy material, please call either the Town Office or arrange and alert us. We will not remove motor vehicles.

Five dog owners were summoned to court this week for allowing their animals to run at large. We intend to continue serving summonses rather than impounding dogs, as the impounding has proven to be very nearly ineffectual helping to control the animals.

Although we have and will continue to receive criticism from the individuals who are fined as a result of the new policy, we feel we have been too lenient in the enforcement of the ordinance passed in the 1971. It is not difficult to defend our actions when they are carried out as provided in an article voted on at a town meeting. It is the intention of all concerned to be impartial in the enforcement of this regulation. There will be offenders who escape as some do from other rules but reasonable efforts are being made to make the ordinance effective.

## TELSTAR R. H. S. NEWS GREENWOOD CITY

— Mrs. Colista Morgan, Corres. —

STUDENT COUNCIL NOTES

The Student Council will soon be holding elections for next year.

The new council and their new advisor Mr. Otero, will take over immediately after the election. Mr. Otero has met with this year's council and has gotten an idea of what goes on.

This past week end we had three representatives at the State Student Council Convention. The convention had a workshop on student rights and one on career planning. Both of these workshops gave our council some new ideas which we hope to use effectively. The convention also gave us a chance to look at Telstar comparatively with other schools. In past years we have been amazed at the advantages we have here. Lately, however, Telstar has made fewer changes than many other schools who are now experimenting with career planning, open campuses, and have smoking rooms.

A new experience happened for many Telstar students this past week end who were involved in the exchange concert with Calais. Everything went so smoothly that I see every chance of this becoming an annual event.

So far our spring sport season is looking as well as it did in the fall. Both the track team and baseball team are undefeated. Girls' track and softball have not competed yet.

in a length-wise direction. The dingy flowers which appear in June rarely attract attention, unless by their lack of beauty.

At my feet the mare's tail had pushed to a height of three inches through the layer of leaves.

Near a hollow which was watered by a clear gurgling brook, myriads of trout lilies or dog tooth violets stood; each guarded by a pair of mottled, erect sentinel-like leaves.

I was enjoying immensely the change from storm and winter to serene spring weather with brightness rather than dark, sluggish hours.

Around the next bend . . . a patch of snow, a reminder of what recently had been.

To my left were ledges, and so I looked for something singularly fragile and spring-like; its heart-shaped blossoms nodding among pale sage-green leaves, the Dutchman's Breeches. There were none. But mine at home, given to me last year by a friend are in full bloom.

Birds, like lively little pieces of gauze moved above me.

A little farther up a slope to the left were the only trailing arbutus in this area. Its evergreen leaves made a perfect background for the few clusters of five petaled flowers. They are one of my favorites so I had to lie down on the soggy ground to smell them. How sweet they were! Prettier here in their own setting towered above by pine and spruce rather than in a vase. There was something else; what was it? At once I had the answer. It was the

smell of earth and water, touching somewhere a familiar chord of memory.

I continued on until I came to a branch of the brook I had fished, in the past. Satisfied now that I knew where I was I turned back.

Looking up at me was a wake robin. If uncertain as to whether the spring had come to stay there was no lack of confidence in its brilliance. It seemed to force upon me the welcome news that the time of birds and flowers is at hand.

The way back to the main road seemed shorter.

A huge bumble-bee bumbled back and forth before me prolonging this drowsy murmur. I waved him away when I thought he was about to perch upon my nose.

Nearing home, the water sparkled in the sunlight of this bright April day while above on the hills and mountains, the forest blazed in its coat of various greens while fringed with maple red.

Doris Hayes and Colista Morgan attended the OCRT at Bethel on Saturday.

Callers at Edla Tamlander's were Mr. and Mrs. David Seamon, Norway and Mr. and Mrs. Gilbert Dunham, Locke Mills.

### AREA CHURCHES TO SPONSOR INSTITUTE SUNDAY, MAY 6

Area Churches are sponsoring an Institute of Dynamic Christianity featuring Dr. Bruce L. Morgan, prominent religious leader. He is president of the Bible Institute of New England, St. Johnsbury, Vt.

He will be presenting what are "described as 'provocative' messages 'tuned in' to the seventies. His lectures on a vital and relevant Christianity, in what is termed a 'challenger' age, have brought purpose, meaning and hope, according to those who have heard Dr. Morgan.

The Singers of Praise, 16-voice ensemble from the Bible Institute of New England, will present special music.

The enthusiastic group is under the direction of Mrs. Harold Small of Lyndonville, Vt. Out of the Singers of Praise came a sextet known as the Portakers and a male quartet. The ensemble sings joyous, challenging songs and their members have a message for people of every age in these vital days in the last half of the 20th century.

The Singers of Praise and Dr. Morgan can be heard May 6 at 2:30 p. m. at Telstar Regional High School Auditorium. A rap session will follow in the cafeteria.

The area churches extend a cordial invitation to the public to attend this inspiring program of messages and songs. There is no charge although an offering will be taken.

### COMMUNITY COMMITTEE FOR SCHOOL EVALUATION MEETS

The first of a series of meetings of the Community Committee for School Evaluation was held on April 25 at 7:30 in the Crescent Park School Library.

Topics discussed during the first meeting were: 1. School philosophy; 2. Development of written school policies; 3. Is an effort made to inform the community about school matters and explain school requests and actions? 4. Is there easy communication between students and administrators and faculty? 5. Instruction for the mentally retarded, emotionally disturbed, physically handicapped.

Following is a list of areas to be discussed and a sampling of questions: 1. Curriculum and instruction—Is the quality of the program in each of the subject areas satisfactory? 2. Library—Are pupils given sufficient opportunity to use the library? 3. Personnel—Are there adequate support personnel employed (a) to maintain the buildings and grounds in clean and safe condition (b) provide adequate transportation (c) supply special services for children with learning and emotional disabilities (d) assist teachers with non-instructional duties? 4. Buildings—Is the school large enough for the number of pupils? 5. Grounds—Are outside play areas large enough and playground equipment suitable for various age levels and interests of the pupils? 6. Transportation—Are school buses maintained in a safe and healthful condition? 7. Nutrition—Are high quality and nutritious meals prepared in an appealing manner?

Also, this is an opportunity to express any suggestions or comments on subjects not covered in the evaluation.

If you are interested in your school and would like to learn more about it while helping to evaluate its programs, please plan to join in the remaining meetings. The Community Committee will continue to meet on Wednesday evenings: May 3, May 10, and May 23, or until the evaluation and summary is completed.

continued from Page One

for fiction and non-fiction, 4,650; magazines, 710; records, 63; jigsaw puzzles, 60. Temporary residents served during the summer numbered 41. Books borrowed from the State Library numbered 73. The number of books added to the library including many donations was 418.

The World Book Encyclopedia has been updated. The Biography Dictionary of America has been updated, two National Geographic Indexes 1883-1940 and 1941-1969 plus supplements have been added. These make it easy to find things in the Geographic magazine (especially for research).

A Summer Reading program was introduced last summer. Meetings were held Tuesday mornings with E3 Story Hour from 9 to 10 with Mrs. Karl Blach, leader. Grades 4 to 6 met 10:30-11:30 at which time booklets, activities, crafts and book reports were held. There were several volunteer helpers for these and others among whom were Sue Taylor, Ginger Kelly, Katie Colby, Maurice Butler, Judy Brooks. Thursday morning the pre-teen age, 3, 4, and 5, met with Peggy Wight. Mary Lady. It was very successful and it is hoped to be able to continue this program this coming summer. More volunteers are needed.

The Story Hour for ages 3 to 5 has met year round on Thursday mornings, 10 to 11. The enrollment has grown to a total of 45, divided into two groups but meeting at the same time. Helpers this past winter were Jean McGuire, Martha Horne, Candace Bradley and Peggy Graham. The young mothers are also using the library at this time.

Since May 1, 1972 there have been exhibits of local talent continually (three weeks each). This is an excellent location for these exhibits. Among those who have exhibited are Les Wight, Nancy, oil and water color paintings; Helen Martineau, oil and water color paintings; Walter Clark, Albany, oil and water color paintings; Martha Warner, oil paintings; Ruby Ring, Bryant Pond, oil paintings; Douglas Burn, Bethel, oil paintings; Gerty Boudreau, Bethel, oil and water color paintings; Arthur Gilbert, West Bethel, ceramics, woodworking, oil paintings; Richard Johnston, Andover, pen and ink drawings; Rita Davis, Bethel, enamel and embroidery pictures; Woodrow MacArthur, Gilead, oil paintings; Neil Volante, Westbrook. Several paintings were sold during these exhibits and a percentage was donated to the library.

The librarians and assistants have attended several book selection meetings at which time Miss Sheila McNeen from the State Library re-

MERRILL JOHNSTON

Mrs. John Merrill

The Andover Congregational Church was the setting on April 7 for the wedding of Miss Julie Maenette Johnston, daughter of Mr. and Mrs. Richard Johnston to John Merrill, son of Mr. and Mrs. Eugene Merrill.

Pastor Lester Strout, Calvary Congregational Church, officiated at the double ring ceremony. The bride was escorted to the altar by her father, Kelly Snyder, who was organist.

The bride wore a floor length chiffon dress, long sleeves trimmed with Venice lace and a V lace front and back. Her train was also trimmed with lace. She wore a waist length illusion veil that fell from a seeded bow. She carried a colonial bouquet.

Mrs. David Gault, Nashua, N. H., sister of the bride, was matron of honor. She was attired in a puffed sleeve, floor length pink gown of double knit. She had a head veil and carried a basket of pink spring flowers.

Bridesmaids were Miss Jeanne Merrill, Rumford, the groom's sister, and Miss Joyce Johnston, Andover, the bride's sister. They wore purple and lime colored dresses to views books and many books are on display for examination.

The librarian attended a meeting concerning the Talking Book and Aids for Sight, Hearing and the Ill demonstrated by Miss Mary Bennett of Poland's Ricker Library. The Bethel Library has a Talking Book and access to all these things offered which they'd like to promote. It's a free service for the asking.

A book sale was held at Mollycock Day, also Homecoming Day and has continued since. This has helped with fund raising. A bread sale was held last fall. Miss Jean McGuire took charge of a Valentine tea and food sale. Mrs. Marie Dolven took charge of a benefit bridge last week. It has been a good year. There have been many favorable comments on Bethel's "nice little library."

**BETHEL LIONS CLUB ELECTS NEW SLATE OF OFFICERS**

The April 23 meeting of the Lions Club held at the Casco Bank Community room was presided over by President Sam Bigelow.

District Governor Bill Crane and Charles Roth, zone chairman, were present, as well as five members of the Bethel Lions Club.

Officers elected for 1973-74 were: J. Jay Willard, President; Malcolm Gould, Jr., first vice president; Albert Black, second vice president; Eugene Kelly, third vice president; Maurice Bouchard, secretary and treasurer; Don Brooks, Lion Tamer; Sam Bigelow, Tail Twister; Directors for one year, Syd Leclair and Bill Chapman, and Directors for two years, Wallace Saunders and Dale Thurston.

May 9 will be Ladies' Night and promises to be a gala occasion. The same evening will be installation of officers and induction of new members by Charles Roth and possibly Bill Crane.

Plans are well underway for the biggest Mollycock Day ever, which will be held on July 26. Several other organizations have pledged their support to help to make this a real success.

President Willard announced that the light bulb sale was very successful and that there are a few more packages to be sold. Anyone wishing to take advantage of this yearly bargain can do so by contacting any Lion. Proceeds from this project are used for the Lions eyesight program.

**FRENCH TRIP**—Included in this group shot at the Palace of Versailles, France, on a recent ten-day visit are: far left—the guide, Denise; Nancy Chaudhourn, chaperone; Paula Belanger, Kathy Davis, Mike Davis, Julie Daye, Ann Holt, Marilyn Thayer, Bev York, and "Doc."

match the matron of honor's and each carried baskets of spring flowers to accent their gown. All wore white gloves.

Following the ceremony a reception was held at the Town Hall with Miss Miki Berry, Broomfield, Colo., cousin of the bride attending the gift table. Robert Merrill, brother of the groom circulated the guest book.

The tiered cake was made and decorated by Mrs. Roderick Sidelinger, Andover. Mrs. Ralph Hewey, Andover, great aunt of the bride, cut the cake. Serving the refreshments were Mrs. Robert Walton, Dixfield, and Mrs. Carroll Powell, Hale.

The bride's mother wore a pink double knit dress with matching coat and had a corsage of white flowers. The groom's mother wore an aqua dress with a pink corsage.

The young couple took a trip to New Hampshire and to Massachusetts. They are now residing in the Berringer house on Oak Street.

**CANOEING ON THE ELLIS**—ANNUAL MARATHON JUNE 1—Never before has the sport of canoeing been so popular in this area. The early spring weather has stimulated the canoeing fever and canoeists have taken to the Ellis River to enjoy its beauty and purity several spring-like days as many as 10 canoeing parties have been seen traveling the waterway.

One tends to question why, suddenly, there has been such a surge of interest in canoeing. Perhaps Americans have been returning the outdoors and getting away from the polluted and busy city life.

Increased interest by all social people.

Probably one of the greatest erging factors of the ever increasing canoeing sport on this river been the annual Pythian Canoe Marathon, sponsored by the Beta of Pythias, Pythian Sisters, and Delta Pi of Hanover.

The 1973 Pythian Canoe Marathon will be held on June 2. It will have two canoe races: the "Maine" for men and women and a "Pythian" race for women only.

It will also be a Public Field Squaw Market, Bean-hole breakfast, drawing for the 15 foot glass canoe, awards hour, etc. for both young and old at a little expense.

The theme for this day is "In the Life of the Mystical River Indians". The event is placed in memory of Brother "Doc" Stuart at the opening of the Lovejoy Covered Bridge in South Andover.

So get out your canoe and paddle and start practicing for June 2 rules and regulations brochure entry blanks write to: 1973 Canoe Marathon, Box 16, Elsie Point, Maine 04270.

## CO-OP CORNER

by Suzi Redman

Kathy Jo Morrill is a nurses aide at Ledgewood Nursing Home in West Paris. She is a junior this year at Telstar Regional High School.

Kathy Jo has always wanted to be a nurse, and she likes the contact with people. The nurses aide job makes her feel that she is doing something to help others.

The experience on the job has taught her not only responsibility, but something about people as well. A nurses aide is responsible for what happens to a patient left in her care, and their well-being is a large part of it. Kathy Jo has found that each person has different needs, a different personality, but that everyone has one basic need—someone to care for and about them.

At first she had to get used to being around the elderly, but now Kathy Jo is concerned that "patients are people, not as some think of them, who haven't had contact..."

As a nurses aide, Kathy Jo feeds the patients, bathes and gives them whirlpools, does hair-dos, and in general, keeps them as comfortable as possible. She works Fridays, 7-3:00, and she hopes to continue to work there over the summer. She has learned medical as well as per-

sonal aspects about the job; getting along with others; how to work with the elderly; how to work with the co-op program is a great opportunity to find out what patients are like, and what you want to do for the rest of your life; also that handling a full load of subjects is not much trouble. She wants to become an LPN after graduating at the half-year mark next year and planning to attend nursing school.

Kathy Jo likes to horseback ride and owns her own horse. She was a cheerleader this year, and is a member of the Spanish Club. She recently visited Disney World over April vacation, in Florida.

She has previously worked at the Half-Moon and the Red Lantern, and had done baby sitting jobs for NTL.

Kathy Jo has six brothers and sisters living at home, two others who are married, and she has three nieces and two nephews. She is the daughter of Mr. and Mrs. Elmer Bean of West Bethel.

Maurice Beaupre is a surgical patient at the Rumford Community Hospital.

Mr. and Mrs. Hollis Geindle visited Mrs. Rita Walker, Mechanic Falls, on Sunday, April 22.

I would like to thank the friends and neighbors for the nice Sunshine basket given me last week.
